“Continuing the Vision”

SCHOOL CAPITAL CAMPAIGN

CAMPAIGN PROGRESS REPORT

May 2, 2008

LOCAL MEDIA AIDS CAMPAIGN

Thanks to our local Boonville BDN and the local NBC television affiliate, a significant boost to our SSPP School Campaign was garnered this past week giving a re-emphasis of the urgency of this project.

QUESTIONS WELCOME

After each Mass this weekend, SSPP School Project Coordinator Butch Friedrich will be available, along with projected floor plans, to answer your questions and / or comments you may have regarding our school's renovation, upgrading and expansion plans. Please feel free to come downstairs after Mass to be fully informed as to the imperative need for this project.

GENERAL PARISH FAMILY PHASE UNDERWAY

Hot on the heels of our first two solicitation phases of our Continuing the Vision Campaign, our General Parish Family canvas kicked off this past Thursday. Further building our Campaign momentum has been the very productive Major Gift Section volunteers who turned in over \$110,000 in gifts and pledges at their report meeting last Tuesday. With still 20 Pacesetter prospects pending and most of the Major Gift prospects still being contacted, we are well on our way.
